Dear Supervisors:

**ADOPT AND ADVERTISE
ROADWAY RECONSTRUCTION AND RESURFACING
ROSEMEAD BOULEVARD
THE CITY OF TEMPLE CITY AND
UNINCORPORATED COMMUNITY OF EAST PASADENA
(SUPERVISORIAL DISTRICT 5)
(3 VOTES)**

SUBJECT

This action is to approve a project to reconstruct and resurface Rosemead Boulevard from Foothill Boulevard to 566 feet south of Ardenale Avenue, in the City of Temple City and the unincorporated community of East Pasadena; adopt the plans and specifications; and call for bids.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the project and adopt the plans and specifications for Rosemead Boulevard, roadway reconstruction and resurfacing, in the City of Temple City and the unincorporated community of East Pasadena (5), at an estimated cost between \$8,500,000 and \$10,000,000.
2. Call for bids to be received on December 16, 2008.

3. Instruct the Executive Officer of your Board to advertise the project and seal and return the plans and specifications to the Department of Public Works for filing.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to advertise for the reconstruction and resurfacing of roadway pavement and the performance of other appurtenant work.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Service Excellence (Goal 1) and Community Services (Goal 6). The recommended actions will help meet these goals by providing improved highway facilities for the traveling public, which will benefit the community.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

The estimated construction cost to complete this project is in the range of \$8,500,000 to \$10,000,000.

A portion of this project is within the City of Temple City (City). The City is to finance its jurisdictional share of the project cost under Service Request Number 19851. We have also obtained a Rubberized Asphalt Concrete grant made available from the California Integrated Waste Management Board to be used toward the pavement work. This project will also be financed partially by a deposit collected from Westfield Developers as a condition of their development in the area. This project is included in the Fifth Supervisorial District's Road Construction Program in the Fiscal Year 2008-09 Proposition C Local Return Fund and Road Fund Budgets.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This project, to contract for the reconstruction and resurfacing of roadway pavement, is part of Department of Public Works' (Public Works) ongoing highway construction and maintenance program. It will be advertised in accordance with Section 20392 of the Public Contract Code.

This project is to be completed in 400 working days. It is estimated the work will start in March 2009 and be completed in September 2010.

The contract agreement will be in the form previously reviewed and approved by County Counsel.

The project specifications contain provisions requiring the contractor to comply with terms and conditions supporting your Board's ordinances, policies, and programs, including but not limited to: County's Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code Chapter 2.202; and the Los Angeles County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; and the standard Board-directed clauses that provide for contract termination or renegotiation.

The State Public Contract Code requires the County to award construction contracts to the lowest responsive and responsible bidder, which is defined as the firm that; (1) submits the bid with the lowest cost; (2) is deemed by the County to be responsive to specific criteria under the solicitation, including, but not limited to licensure, bonding, and insurance requirements; and (3) is determined by the County to be a responsible bidder by exhibiting the capability, capacity, experience, trustworthiness, and financial wherewithal to perform the work required under the bid solicitation.

To ensure that the contract is awarded to the lowest responsible contractor with a satisfactory history of performance, bidders are required to report violations of the False Claims Act, criminal convictions, civil litigation, defaulted contracts with the County, complaints filed with the Contractor's State License Board, labor law/payroll violations, and debarment actions. As provided for in Board Policy No. 5.140, the information reported by the contractor will be considered before making a recommendation to award.

The plans and specifications include the contractual provisions, methods, and material requirements necessary for this project and are on file with the Public Works.

ENVIRONMENTAL DOCUMENTATION

On June 10, 2008, Agenda Item 35, your Board found this project categorically exempt from the provisions of the California Environmental Quality Act.

CONTRACTING PROCESS

This project will be contracted on an open competitive bid basis. The contract will be awarded to the lowest responsible bidder meeting the criteria established by your Board and the California Public Contract Code.

To increase contractor awareness of our program to contract work to the private sector, this project will be listed on the County website for upcoming bids.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

When the project is completed, it will have a positive impact by providing improved highway facilities for the traveling public thereby benefiting the community.

CONCLUSION

Please return one adopted copy of this letter to Public Works, Construction Division.

Respectfully submitted,
